Introduction to Car Insurance OTS Feature

In this fast moving world, we care for your well-being and value your precious time. To ensure a smooth car insurance claim settlement service for you, we have designed Motor OTS (Motor On-The-Spot) feature, which is available in our Bajaj General App.

Motor OTS for car is a mobile based motor insurance claim settlement service, which allows you to settle your car insurance claims up to INR 30,000 in 20 minutes*. All

Car Insurance OTS Feature Claim Settlement Process

Step 1: Register on Bajaj General App

- Download our Bajaj General App on your android and iOS device.
- Register or login to access the Motor OTS feature of App to experience smooth car insurance claim process.

Step 2: File Car Insurance Claim

- Enter your policy details and the details about the accident (like location, date and time) in the Bajaj General App.
- Save these details and click on Register button to file your claim and start your car insurance claim process.
- You will receive an SMS on your registered mobile informing you about the claim registration number once you initiate the car insurance claim procedure.

Step 3: Self-Inspect and Upload Pictures

- Proceed to fill in the digital claim form and submit your NEFT details.

GENERAL **P**roduct Rene Clai Suppor an Agent
BAJAJ]

- Upload the photographs of the damaged parts by clicking pictures from your mobile, clicked from different angles, as per the instructions given in the app.
- In the next step, upload your RC (Registration Certificate) and driving license.
- After scrutinizing the details and documents submitted by you, as a part of car insurance claim process, you will receive an SMS on your mobile, intimating you about the claim amount proposed by the insurance company.

Step 4: Receive the Claim Amount Instantly

- Use the link provided in the SMS to agree/disagree with the claim amount proposed by the insurance company.
- If you are satisfied with the claim amount, click on agree button to receive the claim amount in your bank account.
- If you are not satisfied with the claim amount proposed by the insurance company, click on the disagree button to receive a call back from our claim settlement team.

You can also track the status of your car insurance claim procedure using the unique features of Bajaj General App.

Difference Between Motor OTS vs. Regular Car Claim Settlement

Motor OTS Claim Settlement	Regular Car Insurance Claim Settlement
Claim settlement within 20 minutes* after completion of	Claim settlement depends upon the number of days
Receive the claim amount (up to INR 30,000) without submitting repair bills and before getting your vehicle repaired	Claim amount is disbursed after submitting the repair bills and after repairing the vehicle

Prompt Assistance

Thank you so much, Bajaj General, for your quick and responsive action towards my claim process. I am shocked that my claim amount has been credited so quickly.

Claim Support

Super fast claim settlement! I initiated a claim for my car windscreen, which was broken due to a tree fall today, and it was settled within one hour. I appreciate the efforts of Omkar.
